

## **Volleyball Club Information 2007**

Do you want to take your volleyball skills to the next level? Club Volleyball will help that happen, and Columbus School for Girls Volleyball needs as many girls as possible playing Club Volleyball!

Tryouts are approaching FAST! Start planning NOW!!!

Many clubs are having their informational meetings now, so get involved early.

Typically meetings are in October, and tryouts start in November for Upper School students, and late October for Middle and Lower School students.

I am involved with Central Ohio Volleyball Club, but you should always plan on going to 3 tryouts, and determine which club is best for you (there is no "right" answer, other than "Play Club Volleyball!")

If Club is not for you, then consider a "winter-ball" or "winter-training" option, or even an inexpensive "open gym" format that many clubs offer. For example, many clubs have their girls go to Central Ohio Volleyball Club's winter-training, and then start their club season somewhere else.

Check it out; I'm sure there's a program for you!
