

I want to thank all the parents, players and coaches for all their help last Sat at the CSG Invitational. I wanted to send this e-mail over the weekend but I didn't have electricity. I hope all of you have put away the candles. I especially want to thank the JV players who worked at the tournament. Your help was critical to our success. I asked Kippie if she can give you service hours so make sure you fill out a form and have her sign it. We made a total of \$220.

We had our Volleyball Team dinner last night. Thanks to Veronica and Julie!

This Saturday, Sep. 20th, is the Volley for the Cure at Grandview. **The girls need to be there at 9:45. Note: coach Mitchell incorrectly told the girls to be there at 9:00.** Grandview has put a lot of effort into making this a fun and worthwhile event. There will be a breast cancer survivor speaker, door prizes, live music, concession stand etc. I hope a lot of parents can make the event. They raised \$4000 for breast cancer research last year. The girls need to bring their PINK shirts that coach Mitchell passed out on Thursday.

I am hoping that Diane Masterson can score for the JV this Saturday and Candace Pascucci can score for the varsity. JV game starts at 11:00 and varsity to follow. Let me know if this is a problem.

The remainder of the year schedule is as follows:
